

AUTO ROUTE THROUGH VALLEY.

An auto route to the Jamestown Exposition from Washington, D. C., has been selected by August Post, of the American Automobile Association. It is expected that the route selected will be adopted officially by the Association at its next meeting and followed on its trip to the Jamestown next year.

Mr. Post has completed a trip from Norfolk to Washington via Suffolk, Richmond and Fredericksburg and returned by the Shenandoah Valley and Three Chops roads. Speaking of the trip Mr. Post said: "Unlike the roadway from Norfolk to Washington via Suffolk, Richmond and Fredericksburg, the route from Washington to Richmond through the Valley is one of the most delightful and picturesque in the country. The highway is between the Blue Ridge and the Alleghany Mountains and is constructed of macadam almost its entire length. The distance is estimated at 450 miles."

The tour of the Association will start at Chicago, Indiana, and Columbus. More than 125 cars will participate, carrying about 350 tourists. The cars will be driven over the National Highway where the party will be joined by the Eastern contingent and the run made to Norfolk over the route indicated.

Now that a route traversing such a beautiful and historic section has been selected opening up new roads for automobile travel, Mr. Post believes that hundreds of motorists will avail themselves of the splendid natural conditions and visit the exposition.

Plans for a series of speed contests between members of the Association are being considered.

Chamberlain's Cough Remedy Acts on Nature's Plan.

The most successful medicines are those that aid nature. Chamberlain's Cough Remedy acts on this plan. Take it when you have a cold and it will ease the cough, relieve the lungs, aid expectoration, open the secretions and aid nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. It counteracts any tendency of a cold to result in pneumonia. Price, 25 cents. Large size, 50 cents. For sale at Schmitt's Drug Store.

LIFE'S CROSSES.

Life's crosses take a great many forms. They march along day by day, just as fast as you can bear them; and you can rail at them, if you like, but you cannot get rid of them.

All the money in the world will not save you from the troubles which living entails. If you are born into this state of existence, and you cannot very well help it, if it be so decreed, you must suffer for its inconveniences.

You must deal with flies, and mosquitoes, and March winds, and housecleaning, and fires that won't burn, and the pump frozen up, and your wife's "I told you so," and your husband's "That's just like a woman."

Was a Very Sick Boy.

HE WAS CURED BY CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hixox, of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale at Schmitt's Drug Store.

An Irish woman walked into a large department store. The floorwalker, who was very bowlegged, asked her what he could do for her. She told him that she would like to look at the handkerchiefs that were advertised.

"Just walk this way ma'am," said the floorwalker.

The woman looked at his legs. "No sir," indignantly replied the old lady. "I'll die first."

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Walton & Smoot.

Beggar—Mister, I'm sick and starving. I ain't had any food for five days.

Goodman—Oh, come, now. No food at all?

Beggar—Well, nothin' but health food.—Philadelphia Public Ledger

Chamberlain's Pain Balm.

This is a liniment, remarkable for its great power over pain. It quickly allays the excruciating pains of rheumatism and makes sleep and rest possible. For sale at Schmitt's Drug Store.

Many passengers are stranded at Honolulu as a result of the grounding of the Manchuria, the Mongolia and the transport Sheridan.

Do You Want to Know What You Swallow?

There is a growing sentiment in this country in favor of medicines of known composition. It is not natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public and satisfied that the fullest publicity could only add to the well-earned reputation of his medicines, Dr. R. V. Pierce, of Buffalo, N. Y., has "taken time by the forelock," as it were, and is publishing a broadcast list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery," the "Popular Liver Invigorator," stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and outspoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all hostile critics who have heretofore unjustly attacked them. A little pamphlet has been compiled from the standard medical authorities of all the several schools of practice showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more about the value of his medicines, and the value of the active cathartic, blood purifier and heart regulator, also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

Dr. Pierce's Pleasant Pellets are, they say, the most effective medicine for constipation. They regulate and invigorate the bowels, and are a safe and pleasant cathartic. They enter into the composition of the "Golden Medical Discovery," the "Popular Liver Invigorator," stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

Senior Tullman, in a recent interview at Anderson, Ind., said:

"When the African gets an education he starts for the three P's—preaching, politics or penitentiary."

Dr. F. H. H. Testimony Interesting.

Dr. Thomas Finn, of Boonshoro, Mo., who has practiced medicine for 32 years, says he has used every prescription known to the profession for treatment of kidney and bladder diseases, and says he has never found anything so effective in both chronic and acute kidney and bladder troubles as Foley's Kidney Cure. It stops irregularities and builds up the whole system. Walton & Smoot.

An esteemed contemporary wants to know what's the matter with Cuba. Several things no doubt, but political rights beyond the power of digestion, for one.

Keep the bowels open when you have a cold and use a good remedy to allay the inflammation of the mucous membranes. The best is Kennedy's Laxative Honey and Tar. It contains no opiates, moves the bowels, drives out the cold. Is reliable and tastes good. Sold by Walton and Smoot.

"Let us see," said she, "what is it you call these men who run automobiles?"

"Pardon me," replied the gallant man, "I'm too much of a gentleman to tell you what I call them."

When a horse is so overworked it lies down and in other ways declares its inability to go further, you would consider it criminal to use force. Many a man of humane impulses, who would not willingly harm a kitten, is guilty of cruelty where his own stomach is concerned. Overdriven, overworked, when what it needs is something that will digest the food eaten and help the stomach to recuperate. Something like Kodol For Dyspepsia that is sold by Walton and Smoot.

The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs create powerful creatures. How to keep the breathing organs right should be man's chief study. Like thousands of others, Mrs. Ora A. Stephens, of Fort Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, its grand for throat and lung trouble." Guaranteed by Schmitt's Drug Store. Price 50c and \$1.00. Trial bottle free.

"Young man," said the old lady with eyeglasses, in the drug store, "be you a regular clerk here?"

"Yes, ma'am; I'm a regular clerk."

"Be you registered?"

"Yes, ma'am."

"Never make any mistakes?"

"No, ma'am."

"Well, I guess I'll trust you. Gimme 5 cents' worth of camphor."

Can you win? You realize that to win in anything these days, requires strength, with mind and body in tune. A man or woman with disordered digestive organs is not in shape for a day's work or a day's play. How can they expect to win? Kodol For Dyspepsia contains the digestive juices of a healthy stomach and will put your stomach in shape to perform its important function of supplying the body and brain with strength building blood. Digests what you eat, relieves indigestion, dyspepsia, sour stomach, flatulence of the heart and constipation. Sold by Walton & Smoot.
